Ref: - This office Notification of Even No. dated 02.06.2006.

As per this office notification under reference, the rank list for admission to various B.Ed Course has been published. The Rank list of the following Optionals are hereby revised after rectifying disparities noted in them and as explained below-

- 1. English**
- 2. Arabic**
- 3. Natural Science**
- 4. Physical Science**

While ranking candidates under language stream, those who had undergone/passed a Bachelors Degree in the concerned subject has been ranked first in that particular stream. Candidates applying for the course under any language stream based on Part I/Part II at under Graduate Level and having P.G. Degree in the same subject as in Part I/Part II has been ranked only after that. Similarly this clause has been applied in the case of those who passed the Degree Examination in Double or Triple Main or in Vocational or Specialized Courses under any scheme of Universities in Kerala since conditions stipulated by the Universities for admission to BEd.Courses are different. The candidates under this category has represented for reconsideration of their rank by treating them as the candidates under the language stream with Degree in the subject concerned. In order to redress their grievance, an Expert Committee Meeting, consisting of Chair Persons of the Board of Studies(Pass)of University of Kerala, Mahatma Gandhi University, Kottayam, University of Calicut and Kannur University and Principals of Govt. Training Colleges was held on 17-06-2006. The Expert Committee recommended to include Communicative

English in the mainstream. The Committee have further confirmed that candidates with Double main/Triple main, Vocational stream (B.A Vocational English) are eligible for BEd.(English) if equivalency certificate, from the Universities concerned, is produced. Candidates with Functional English as the subject at undergraduate level are to be treated on a par with those with English Language and Literature at undergraduate level. However they were ranked below those with English Language and Literature as the main subject, several candidates have represented in this regard also. Defects were also noted in respect of coding done such candidates.

The same issue came up for redressal in 'Arabic Optional' also with candidates holding Double Main (Arabic & Islamic History/ Arabic & History) has requested for considering them in the mainstream.

Smt. Roshini George (Roll No.41016) who actually opted for Physical Science has been ranked in Natural Science. Hence her rank is fixed in Physical Science and the rank list is revised accordingly. On account of her exclusion from Natural Science, the rank list of that subject is also modified to that extent.

In the circumstances stated above, the Rank List for admission to BEd Course in English, Arabic, Natural Science and Physical Science are hereby revised and published. The original rank lists of these subjects published on 02-06-2006 stands cancelled.
