## **NOTIFICATION**

The provisional Select List and Wait Lists of General candidates, who have qualified in the Entrance Examination for admission to Post Graduate Super Speciality Courses, 2006 conducted on 24<sup>th</sup> and 25<sup>th</sup> of June 2006, at Thiruvananthapuram are published herewith.

The Select and Wait Lists of General candidates as well as the list of qualified Service candidates will be available for reference at this office, Office of the Director of Public Relations and in the Website 'cee-kerala.org'. These lists will also be available at all the District Information centers from 20.07.2006.

Few complaints regarding the keys were received from candidates and the same have been examined by Expert in each discipline constituted for the purpose. Based on the recommendation of the committee, 3 questions from Medical Paper I, one from Medical Paper II ( Neurology ) and 4 (four ) questions from Medical Paper II (Cardiology ) have been deleted.

These questions have not been included in the valuation and no marks have been awarded for these deleted questions to any candidates. The marks obtained for 87 questions have been multiplied by  $(90/87)$  in the case of Medical Paper I ) to get the actual marks ( corrected to four places of decimals ) . The above formula is applied to award proportionate marks based on the score of the candidates in the question considered for valuation ( excluding deleted questions ) to compensate the loss of marks for the deleted questions. The same formula is applied in Medical Paper II Cardiology and Neurology as well.

Inclusion of a candidate in the list does not entitle him / her for admission to the course, unless the rules regarding the eligibility for admission as laid down in the prospectus are satisfied. The Director of Medical Education, Thiruvananthapuram will make admissions, as per the conditions laid down in the prospectus.

The marks obtained by the candidates will be published in the website 'cee-kerala.org'.
