Candidates are also directed to look for the notification in this regard which will be announced after Publication of results. The 'CAP' is intended to simplify and streamline the admission procedure through a single window system.

11.4 Candidates are advised to strictly observe the date and time of his/her appearance for the allotment. A candidate who does not turn up for the allotment as per schedule, at the place and time notified, will forfeit his/her chance for admission, and will not be considered for admission to any future or arising vacancies, irrespective of the rank. However, if a candidate is not able to attend the allotment process on genuine grounds, the parent/guardian, or any authorised person can act as a proxy at the risk of the candidate on production of authorisation letter in the form given in Annexure-XIX. Authorisation letter once received will be considered as valid for the entire allotment process, unless the candidate revokes it in writing. A photocopy of the filled up authorisation letter should also be brought by the proxy at the time of first appearance. This photocopy will be returned to the proxy with the seal of the office of the CEE affixed on it. This photocopy with the seal of the CEE's office on it, can be used for subsequent appearances.

11.5 Candidates should appear at the venue for the allotment process at their own expense.

11.6 For the Centralised Allotment Process, candidates will be called rank-wise in batches to offer their willingness for selection to any of the eligible course or college, according to their preference. The candidate is expected to go through all these displays and take a decision

regarding the preferences to be exercised. He/She may choose any seat available at that point of time and also opt to exercise 'Options' to seats that were not available at that point of time. If the candidate finds that there are no vacancies in any of the courses of his/her choice at that point of time, the candidate may opt to exercise 'Options only' to be considered for the arising vacancies. In any case, candidates will not have any subsequent claim or option facility for any seat available at the time of appearance for seat allotment and not accepted by him/her then.

11.7 **Break-up of seats:** Admission / Allotment of seats under the mandatory reservation quota in Government / Aided colleges as well as in *Self-financing colleges is governed by a Statewide principle of selection. The total seats so obtained for each course will be distributed state wide for the different categories by applying the mandatory reservation principle as mentioned in clause 4.1.5. While doing selection as per the state wide break-up of seats, an institution-wise break-up of seats for the various categories, following the principles of reservation will also be maintained for the allotment of seats for each course in each college. The same principle will be applied for allotment of Govt. seats in *Self-financing colleges also. (* Subject to availability of seats)

11.8 **Selection / Allotment of Course / College:** Selection/Allotment of a candidate to any course/college will be based on the rank of the candidate and the availability of seats, at that point of time when the candidate appears for the allotment. The procedure adopted for admission under mandatory reservation quota, will be as per the selection principle approved in G.O.(MS) No.122/98/HEdn dt. 7-10-1998. According to the G.O., "**candidates of the reserved category who will otherwise come in the open merit list will be allotted to the college of his choice provided he would have been eligible for allotment to that college if he was treated as candidate coming under reservation quota. While a reserved category candidate entitled to admission on the basis of his merit will have the option of taking admission to the colleges where a specified number of seats have been kept reserved for reserved category but while computing the percentage of reservation he will be deemed to have been admitted as an open category candidate and not as a reserved category candidate**". This rule will not be applied for allotments to 'Persons with Disabilities' and 'Special Reservation' seats, which will be only to the colleges where they have been sanctioned.

Allotment to the Government seats in Govt/Aided colleges and those in *Self-
