11.6.1 First Allotment: After the period earmarked for registering options, they will be processed and the first allotment list will be published in the website, www.cee.kerala.gov.in, on the date notified by the CEE. The allotment list will show the college to which the candidate is allotted and the fee to be remitted for the course allotted.

11.6.1(a) Trial Allotments: The CEE will conduct Trial Allotments as many times as possible before the closure of the time fixed for registering options to give an idea about the chances of getting allotment to a course and college based on options and rank of the candidate. The trial Allotment does not guarantee that the candidate will get allotment in a college or course.

11.6.2 Remitting of Fees: The prescribed fee for the Course will have to be remitted by the candidate either by way of cash or by way of DD, taken in favour of 'CEE A/C with Canara Bank' payable at Thiruvananthapuram in any of the branches of the Canara Bank, (the list of selected bank branches will be notified in due course) as per the time schedule prescribed. 11.6.3 Admission for MBBS/BDS courses: Candidates allotted to the MBBS/BDS courses, and who remit the fee as prescribed, should take admission in the college allotted as per the schedule notified by the CEE. Candidates who do not take admission will lose their allotment as well as the claims in the Medical stream. All other candidates allotted to courses other than MBBS/BDS need not join the colleges based on the first allotment.

11.6.4 Cancellation of options/alteration of priority of options after the first allotment: Candidates who remit the fee as per the first allotment within the prescribed time limit will have the facility to cancel their higher order options in the list of options registered by them before the next re-allotment. This facility will be activated in the 'Home Page' of the candidate immediately after the remittance of the prescribed fees.

11.6.4 (i) After the first allotment, the options below the 'allotted one' of the candidate will automatically be removed from the option list of the candidate. For example, if a candidate had registered 345 options in all, and if he/she is allotted his/her 134th option, all options from 135 to 345 will be removed from the option list. Options from 1 to 133 will remain valid and will be considered for future allotments.

11.6.4(ii) If a candidate is satisfied with the first allotment and does not want to be considered against his remaining options, he/she will have the facility to cancel all the remaining options. He/she may cancel options in a particular stream alone. He/she may also cancel specific options among the remaining options as per his/her desire. The candidate will also have the facility to alter the priority of the remaining options. But the candidate will not be permitted to register any fresh options to the existing ones.

11.6.4(iii) This facility for cancellation/deletion/alteration will be available as notified, after which the facility will be withdrawn. A candidate retaining all or any of the options after the first allotment is bound to accept the re-allotment if any given

to him/her, failing which, he/she will lose the allotment given and will not be considered for any further re-allotments under the stream.

11.6.5 First Re-allotment / Remittance of Fee: The first re-allotment list will be published on the date specified. Candidate who have not received any allotment in the first allotment and who have received an allotment in the first re-allotment, will have to remit the prescribed fee for the course allotted as specified in Clause 11.6.3. If a candidate has a different allotment than the one received in the first allotment, the fee for which is higher than that remitted as per the first allotment, he/she will have to remit the difference in fee as prescribed in Clause 11.6.2. The amount to be remitted in this manner will be shown in the allotment details of the candidate. If the fee for the course allotted in the first re-allotment is less than or same as the fee remitted as per the first allotment, no further remittance is to be made by the candidate. The date of reporting to the college concerned for taking admission will be notified.

After the First re-allotment, the options below the newly 'allotted one' of the candidate will automatically be removed from the option list of the candidate.

 - Allotments to Colleges/Courses sanctioned after the commencement of the allotment process will be made by inviting fresh options from the candidates through the web site, only after completion of the Allotment process.
- 11.8 SEAT ALLOTMENT PROTOCOL IN GOVERNMENT/AIDED/KAU COLLEGES:
 - 11.8.1 Admission & Allotment: A distinction will be made between 'Admission' to a course and seat 'Allotment' to a college. Admissions will be first offered under State Merit (SM) even to candidates having eligible reservation benefits as per mandatory reservation, so long as vacancies are available under the same, statewide. Only after all the 'State Merit' vacancies are exhausted across the State, seats will be offered under the candidate's eligible reservation quotas under mandatory reservation.
 - 11.8.2 State Wide Principle of Allotment in Government/ Aided/ KAU Colleges: Admission/allotment of seats in Government/Aided/KAU Colleges is governed by a 'state-wide' principle of selection approved by the Government of Kerala in G.O.(MS) No.122/98/HEdn dated 7-10-1998. According to the G.O., 'Candidates of the reserved category who will otherwise come in the open merit list will be allotted to the college of his choice provided he would have been eligible for allotment to that college if he was treated as candidate coming under reservation quota. While a reserved category candidate entitled to admission on the basis of his merit will have the option of taking admission to the colleges where a specified number of seats have been kept reserved for reserved category but while computing the percentage of reservation he will be deemed to have been admitted as an open category candidate and not as a reserved category candidate'. As per the above principle, all seats available for allotment by CEE in Government/Aided/KAU Colleges for a particular course/branch (Eg: MBBS under Medical stream or Electronics & Communication under Engineering stream) available in all the Government and Aided colleges put together will be computed state-wide and the total

seats so obtained for each course in these Colleges together, will be distributed statewide for the different categories by applying the mandatory reservation principle as mentioned in clause 4.1.5 above.

While following the above principle of allotment, the institution-wise break-up of seats that is earmarked under each category as per the mandatory reservation principle will be changed in certain colleges.

11.8.3 Allotment in Government/Aided/ KAU Colleges to Candidates with multiple Claims under Mandatory Quota: All candidates included in the Rank Lists are eligible for allotment under State Merit (SM). Candidates might be entitled for other reservation quotas also under Mandatory Reservation. For example, a candidate may have the benefit of SEBC reservation (EZ/MU/BH/LC/BX) or Scheduled Caste (SC) or Scheduled Tribe (ST) claim. The seats will be offered on the hierarchy of quotas.

The hierarchy in order is as follows:

(i) State Merit (SM) -All candidates included in the Rank Lists are eligible for allotment under State Merit. (ii) Communal Reservation (SEBC/SC/ST).

A candidate without SEBC/SC/ST reservation benefit will be considered only against the 'State Merit' seats wherever available at the time of allotment. Such candidates will be allotted a seat as per the availability of seats.

11.8.4 Allotments under Special Reservations: Candidates may be eligible for Special Reservations and/or reservation benefits under 'Persons with Disabilities'. Such allotment will be only to the colleges where the seats have been identified. Allotment under these categories will not be governed by the provisions of the GO referred to in clause 11.8.2. The allotment of seats under Special reservation will be taken up along with the General Allotment. However such candidates will also be considered for allotments as per the Clauses 11.8.2 and 11.8.3, if they are eligible for SEBC/SC/ST reservation benefits.

11.9 SEAT ALLOTMENT PROTOCOL IN SELF-FINANCING COLLEGES: WILL BE NOTIFIED SEPARATELY.

11.10 In case, candidates are directed to appear for a personal counseling at any stage of allotment process and a candidate is not able to attend the allotment process on genuine grounds, the parent / guardian or any authorized person can act as a proxy at the risk of the candidate on production of authorization letter in the form given in Annexure XIX. Authorization letter once received will be considered as valid for the entire allotment process, unless the candidate revokes it in writing.
