The Answer Keys to the questions were published on 26.04.2012. A few complaints regarding the questions / keys have been received and the same have been examined by Expert Committees constituted for the purpose. Based on the recommendations of the Committees, the following modifications have been made in the answer keys published on 26.04.2012.

Paper	MEDICAL Version & Question Number				Answer Key	
	A1	A2	A3	A4	Original	Revised
Paper I Chemistry & Physics	36	17	67	55	C	Deleted
	86	79	115	105	D	Deleted

Accordingly, in Paper I (Chemistry & Physics), one (1) question from Chemistry part and one (1) question from Physics part have been deleted. Hence these questions have not been included in the valuation and no marks have been awarded for these deleted questions to any candidate. Valuation has been done based on 71 questions in Chemistry and 47 questions from Physics parts. The marks obtained for 71 questions in Chemistry and 47 questions in Physics have been multiplied by (72/71 and 48/47) respectively to determine the marks of Paper I (Chemistry & Physics), corrected to four decimal places. The above formula is applied to award proportionate marks based on the score of the candidate for the questions considered for evaluation (excluding deleted questions) and to compensate the loss of marks for the deleted questions

Valuation of the OMR answer scripts is computerized and is error-free. There is no provision for revaluation of answer scripts or re-checking of marks in this system of evaluation.

The results of candidates claiming SC/ST benefits, but whose community claims have not been cleared by the Screening Committee, have been withheld.

The inclusion of Roll No. of any candidate in this list does not entitle him/her for admission unless he/she satisfies all the conditions of eligibility as prescribed in the Prospectus. The category/community-wise list based on the rank list will also be published in due course. Complaints regarding the Category List should reach the Commissioner for Entrance Examinations within 7 days after the publication of the Category list.

Candidates will be admitted to the courses only if the academic eligibility conditions as prescribed in the Prospectus are fulfilled at the time of admission. This will be verified at the time of admission.

Separate Notification for Centralized Allotment Process (CAP) for allotment to various courses and colleges will be issued in due course.
