Minority Community Quota : List of Applicants

10.09.2016

Candidates who have been included in the Muslim Category list published by the CEE, are automatically considered for allotment to the Muslim minority community seats provided they have valid options to the colleges having Muslim minority status. Such candidates will not figure in the Muslim Minority Quota Applicant List published herewith. Just figuring in the list of applicants is not sufficient to be considered for allotment to minority quota seats. Having valid options to colleges having the concerned minority status is necessary to be considered for allotment to minority quota seats.
