PRESS RELEASE

RE-ALLOTMENT TO P G MEDICAL (DEGREE/DIPLOMA) COURSES -2007

Re-allotment to various Post Graduate Medical Courses will be conducted before 26.05.2007 through an 'On-Line' process.

Re-allotment will be made to those seats which have remained vacant after the Centralized Allotment Process [CAP] conducted on 15.04.2007 and to those additional seats which may arise as per the provisions in the Prospectus.

Candidates can give options only to those new 'Course-College' combinations which were not available as on 15.04.2007, and which will be subsequently added to the State Quota. The vacancies due to non-joining of candidates will be filled from the options already submitted by the candidates during the CAP, held on 15.04.2007. The details of these options are available in the website at 'cee-kerala.org'. All candidates who are included in the PG Medical rank list, 2007 are eligible for giving options to the additional seats. Such seats will be notified in the website, 'cee-kerala.org', after receipt of details from the Director of Medical Education.

Options are to be submitted through 'On-line' and the detailed 'Instructions and Guidelines' for the same will be sent to all eligible candidates. These instructions will also be available in the website at 'cee-kerala.org'. There will be time limit for submission of options through 'On-line' and the notification in this regard will be issued later.
