## NOTIFICATION

### Entrance Examination for admission to Engineering Courses, Kerala 2014 - Score Published

The scores secured by candidates in the Entrance Examination for admission to the **Engineering Courses, Kerala 2014**, are published herewith.

The scores secured have been prepared on the basis of the Entrance Examination conducted on 21<sup>st</sup> (Physics & Chemistry) and 22<sup>nd</sup> (Mathematics) April 2014 and are published in the order of the roll number. The result of 320 candidates have been withheld (WHELD) for various reasons. Candidates who have not appeared for both the Papers in the Engineering Entrance Examination and those who have scored less than 10 (with exception of SC/ST candidates) in each paper of the examination have been 'Disqualified' (DQLFD).

The marks will be available at the Office of the Commissioner for Entrance Examinations and on the websites,

[www.cee.kerala.gov.in](http://www.cee.kerala.gov.in)

<http://keralareresults.nic.in>

<http://results.kerala.nic.in>

The Answer Keys to the questions were published on 23.04.2014. A few complaints regarding the questions / answer keys have been received and the same have been examined by Expert Committees constituted for the purpose. Based on the recommendations of the Committees, the following modifications have been made in the Answer Keys published on 23.04.2014.

Paper	ENGINEERING				Answer Key	
	Version & Question Number					
Paper I Physics & Chemistry	A1	A2	A3	A4	Published	Revised
	41	23	72	53	B	Deleted
Paper II Mathematics	B1	B2	B3	B4	Published	Revised
	5	91	59	33	D	Deleted
	6	92	60	34	E	Deleted

Accordingly, in **Paper I (Physics & Chemistry)**, **one (1) question** from **Physics** part has been deleted. Hence this question has not been included in the valuation and no marks have been awarded for this deleted question to any candidate.

Valuation has been done based on 71 questions in Physics and 48 questions in Chemistry. The scores obtained in Physics part of Paper I have been multiplied by  $(72/71)$ , corrected to four decimal places and is added to the scores obtained for Chemistry in Paper I. Similarly, two (2) questions have been deleted from valuation in Paper II (Mathematics). The scores obtained for 118 questions have been multiplied by  $(120/118)$  to determine the scores of Paper II (Mathematics), corrected to four decimal places. The above formula is applied to award proportionate scores based on the score of the candidate for the questions considered for evaluation (excluding deleted questions) and to compensate the loss of scores for the deleted questions.

Valuation of the OMR answer scripts is computerized and is error-free. There is no provision for revaluation of answer scripts or re-checking of marks in this system of evaluation.

The results of candidates claiming SC/ST benefits, but whose community claims have not been cleared by the Screening Committee, have been withheld.

The inclusion of Roll No. of any candidate in this list does not entitle him/her for admission unless he/she satisfies all the conditions of eligibility as prescribed in the Prospectus. Those candidates who have qualified in the Engineering Entrance Examination will have to submit the marks obtained by them in the qualifying examination (Plus Two or equivalent) for Mathematics, Physics and Chemistry/Computer Science/Biotechnology/Biology in order to prepare the Engineering rank list 2014. Detailed notification for submission of marks of the qualifying examination will be issued separately. The Engineering rank list will be prepared by giving equal weightage to the marks obtained in the Entrance Examination (Paper I and Paper II put together), and the grade/marks obtained for Mathematics, Physics and Chemistry/Computer Science/Biotechnology/Biology put together in the qualifying examination, after effecting the normalization procedure as described in Clause 9.7.4 (b)(ii). The marks as given in the marks list of the final year of the qualifying examination (Plus Two or equivalent) only will be considered for preparation of Engineering Rank list.

The Category/Community-wise list will also be published in due course after publishing the Engineering rank list. Complaints regarding the Category List should reach the Commissioner for Entrance Examinations within 5 days after the publication of the Category list.

Candidates will be admitted to the courses only if the academic eligibility conditions as prescribed in the Prospectus are fulfilled at the time of admission. This will be verified at the time of admission by the college authorities as specified in clause 11.7.2 of the Prospectus.

Separate Notification for Centralized Allotment Process (CAP) for allotment to various courses and colleges will be issued in due course.
