The Answer Keys to the questions were published on 23.04.2014. A few complaints regarding the questions /answer keys have been received and the same have been examined by Expert Committee constituted for the purpose. Based on the recommendation of the Committee, the following modifications have been made in the Answer Keys published on 23.04.2014.

Paper	MEDICAL Version & Question Number				Answer Key	
	A1	A2	A3	A4	Published	Revised
Paper I Chemistry & Physics	94	82	111	103	C	Deleted

Accordingly, in Paper I (Chemistry & Physics), one (1) question from Physics part has been deleted. Hence this question has not been included in the valuation and no marks have been awarded for this deleted question to any candidate. Valuation has been done based on 72 questions in Chemistry and 47 question in Physics. The marks obtained in Physics part of Paper I have been multiplied by (48/47), corrected to four decimal places and is added to the marks obtained in Chemistry in Paper I. The above formula is applied to award proportionate marks based on the score of the candidate for the questions considered for evaluation (excluding deleted question) and to compensate the loss of marks for the deleted questions

Valuation of the OMR answer scripts is computerized and is error-free. There is no provision for revaluation of answer scripts or re-checking of marks in this system of evaluation.

The results of candidates claiming SC/ST benefits, but whose community claims have not been cleared by the Screening Committee, have been withheld.

The inclusion of Roll No. of any candidate in this list does not entitle him/her for admission unless he/she satisfies all the conditions of eligibility as prescribed in the Prospectus.
