Sir/Madam,

Sub: UG/PG Medical and Allied course admission 2021-22- Clarification sought for by the CEE regarding the NRI admission- Furnishing of- Matters- Reg.

Ref: A discussion was held on 08.11.2021 at 2.30 PM with the Chairman and the CEE

A detailed discussion was held with the Chairman of ASC and the Commissioner for Entrance Examinations (CEE) regarding the NRI admission procedure for UG/PG Medical and Allied courses for the academic year 2021-22, as per the reference cited above. During the time of discussion, the CEE has sought for some clarifications relating the NRI admission procedure.

The committee discussed the matter with the CEE and hereby issue the following clarification for the smooth conducting of the allotment process for UG/PG Medical and allied courses under NRI category for the academic year 2021-22.

1. The sponsor of the applicants who have been recorded as not employed/ House wife on a visa may be accepted, if they submit the employment certificate issued by the employer / labour card issued by the abroad Government attested by the Embassy/Consulate.
2. If the validity of the visa is up to the last date of closing of admission, the employment certificate attested by the embassy for a period of three months can be accepted. But the sworn affidavit alone attested by the embassy cannot be accepted where the job is not mentioned in the Visa.
3. In the event of submission of contract agreement, after verification of the period of the contract and the contract agreement documents attested by the Embassy/consulate can be accepted.
4. Though the job is not mentioned in the green card, but if the category of visa is recorded, the document can be accepted after examining the type of category of the sponsor.
5. If the Saudi Arabian visa validity for 90 days, Iqama and electronic visa attested by the Embassy/consulate can be accepted after verification of validity.
6. If the applicant submits the NRI documents attested by the Apostille instead of Embassy/Consulate attestation, the registration details of the attestor along with the NRI documents can be examined and accepted by the CEE.
7. As per the Government's direction, it is mandatory for OCI card holder to submit their OCI cards when applying for NRI quota seats. The Hon'ble High Court has granted relaxation for the particular candidate only and

that cannot be considered as precedent.

8. The last date of closing of admission of 31.12.2021 can be continued due to the unavailability of counselling schedule from the National medical council.

Yours faithfully,

Sd/-
