Sir/Madam

Sub: UG/PG Medical and Allied course admission 2021-22-  
Typographical error occurred in the communication issued by the  
Committee- Correction made- Matters- Reg

Ref: This office letter of even number dated 10.11.2021

The admission Supervisory Committee thorough  
communication reference cited above, in para 5 has pointed out that

*"If the Saudi Arabian visa validity for 90 days, Iqama and  
electronic visa attested by the Embassy/consulate can be  
accepted after verification of Validity."*

It is typographical error occurred in a word while issuing  
the communication. Some of the aspirants of the MBBS course has approached  
the Committee to clarify whether both the above documents are necessary for  
taking admission under NRI quota.

Actually either of the two is only necessary for admission  
to MBBS Course. Therefore the Point 5 may be corrected and read as follows:

“If the Saudi Arabian visa validity for 90 days, Iqama or electronic visa attested by the Embassy/consulate can be accepted after verification of Validity.”

Yours faithfully,

Sd/-

Chairman
