HEALTH & FAMILY WELFARE (S) DEPARTMENT

GO(Rt)No.1428/2012/H&FWD

Dated, Thiruvananthapuram, 26.04.2012

Read: - 1. GO(Rt)No. 4346/2011/H&FWD dated 17.12.2011

2. Letter No.B2/30844/2011 /DME dated 20.04.2012 from the Director of Medical Education, Thiruvananthapuram

ORDER

As per the letter read above, the Director of Medical Education has reported that the seats in MS Obstetrics & Gynaecology, MS Ophthalmology and Diploma in MS Obstetrics & Gynaecology were reserved for the students belonging to LC community. But due to a bonafide oversight, while preparing the chart of seat distribution, the reservation of MS Ophthalmology for LC category was wrongly entered into MS Orthopaedics column. But the total number of seat allotment for the Medical Colleges were found correct. Hence the Director of Medical Education has requested to change the distribution of seats reservation by incorporating the LC reservation in MS Ophthalmology by deleting the same from MS Orthopaedics. Otherwise the number of seats in total will exceed by one from the total number sanctioned by Medical Council of India. In the circumstances the Director of Medical Education has requested to make necessary modifications in the Prospectus.

Government have examined the case in detail and are pleased to modify Annexure III of the Prospectus for Admission to Post Graduate Medical Degree/Diploma Courses 2012, as appended to this order.

The Government Order read above is modified to the above extent
